

Visit by Prof. Nawata Hiroshi from Japan

Meeting Minutes

With reference to the meeting with Prof. Nawata Hiroshi from Japan, the following staff has met the visitor on Sunday 19 Oct.2014 at the Scientific Research Dean's Office:

- Prof. Abdelaziz Karam : Coordinator of the RIHN-SUST program
- Dr. Yasir Yousif : Dean of College of Forestry and Range Sciences
- Dr. Rashid Saeed: Deputy Dean, Scientific Research Deanship
- Dr. Jacqueline George : Head of Research outcomes, Scientific Research Deanship
- Dr. Musaab Zaroug: Director of External Relations

We have agreed in the meeting to:

1. Prepare a general academic collaboration MoU between Akita University in Japan (the University which Prof. Nawata is currently affiliated to) and SUST with focus on:
 - i. Exchange of students between the two universities
 - ii. Conducting joint field and research visits
 - iii. Having close collaboration between Colleges of Engineering, Petroleum Engineering, and Sciences at SUST and the relevant colleges at Akita University.
2. Apply next year for research fund from SATREPS: Science and Technology Research Partnership for Sustainable Development. Scientific Research Deanship is to be involved in the application process.
3. Translate the outcomes of the joint research to Arabic and/or English
4. Speed up the participation of SUST in publications as well as in using the fund allocated from the joint RIHN-SUST project
5. Encourage Atika University staff to publish in SUST peer-reviewed journals
6. Link Atika University with Colleges of Engineering, Petroleum Engineering, and Sciences
7. Share SUST updated presentation with Atika University
8. Share our staff CVs with Atika University (especially from Colleges of Engineering, Petroleum Engineering, and Sciences) for possible staff exchange between the two universities.

Yours Sincerely

Dr.Musaab Hassan; MInstP, SMIEEE
